

STUART MAHER LIMITED
ENVIRONMENTAL POLICY

Stuart Maher Limited is committed to the minimisation of environmental effects arising from the carrying out of its business including, but not limited to, activities associated with the construction and railway industries.

This is achieved by adopting a management approach which will ensure that Stuart Maher Limited discharges the requirements of relevant legislation and statutory obligations including the fulfilment of its duty of care obligations.

We are committed to ensuring the on-going improvement to the environmental performance of Stuart Maher Limited and expect employees and sub-contractors to conduct their activities accordingly.
